

A REVOLUTION IN PAPER CARRIER BAGS

The revolutionary technology of the DEMPSON BAG™ is designed to provide bags with a uniquely wide bottom.

- Can carry cake, pizza, sushi and chocolate boxes - in fact any larger items, including hot takeaway, that must lie flat when carried out of the retail premises.
- Perfect for Cafes, bakeries, delis, takeaways, restaurants and retailers.
- Provides branding and marketing advantages through styling and enhanced print area.

- Environmental benefits over existing paper carrier bag technology.
- Available in a wide range of sizes to complement your brand family.
