CUSTOM PRINTING FROM DEMPSON CROOKE LTD.

Dempson Crooke is equipped with a wide range of options to add value for you and your clients through providing custom print across our wide range of bag types and sizes.

Dempson Crooke can work directly from your own artwork or just send us a sketch of your concept and we will develop it from there for you.

Many of our bag machines are fitted with in-line printing capabilities, meaning that logos and messages can be placed on bags in print using up to four spot colours.

For designs that require higher resolution and more complex print, our in-line capability is enhanced by off-line printing in up to eight colours, including four colour process work.

Shop & Packing Sundries

At Dempson Crooke we realise that there is a lot that goes on “behind the scenes” of a well presented and managed processing, packing or retailing business. This requires ancillary or supporting products, without which the day to day activities could not take place. Therefore, Dempson Crooke is able to offer a comprehensive range of shop and packing sundries, from refuse and aggregate sacks, pallet wraps/covers, through to display trays, pricing cards, disposable gloves and aprons, twines, till rolls, paper towels and towel rolls, even down to tapes, pins, hooks, rubber bands and pricing guns.
